

March 19,2011

KS801 Hi-Plains Squadron has been busy over the last month.

To start off, we received a quick Color Guard training from Captain Edwards and Lt. Col. Franz so we could perform at an assembly at Liberty Middle School.

The Color Guard also performed for the Pratt High School Basketball homecoming before the girls game. We worked the concession stand for the homecoming game to help raise funds for the squadron. It isn't known yet how much we will get from working, but we should find out the first week of April.

The weekend of February 25th - 27th, we held a Curry Weekend at the National Guard Armory in Pratt for the new cadets from our school. We had 9 new cadets attend the weekend and all 9 passed and received their Airman ranks at Graduation on Sunday morning. We had many parents and family members attend the ceremony, and they all showed great support for our squadron. Staff for the Curry weekend was from Wichita, Salina, Ellsworth and Pratt.
